The image shows a screenshot of a web browser window titled "Cost Calculator - Microsoft Internet ...". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and a help icon. The main content area displays the "Cost Calculator" form with the following elements:

- Cost Calculator**: The title of the form.
- Item Code:** A text label followed by a single-line input field.
- Item Quantity:** A text label followed by a single-line input field.
- Unit Price:** A text label followed by a single-line input field.
- Total:** A text label followed by a single-line input field.
- Calculate**: A rectangular button located below the input fields.

The browser's status bar at the bottom shows "Done" and "My Computer" icons.

**FIG. 9**

1000

The image shows a screenshot of a web browser window titled "Cost Calculator - Microsoft Internet ...". The browser's menu bar includes "File", "Edit", "View", "Favorites", and "Tools". The main content area of the browser displays a web page titled "Cost Calculator". This page contains a form with the following fields and values:

|                |          |
|----------------|----------|
| Item Code:     | 20000412 |
| Item Quantity: | 10       |
| Unit Price:    | 20       |
| Total:         | 200      |

Below the "Total:" field is a button labeled "Calculate". At the bottom of the browser window, the status bar shows "Done" and "My Computer".
